[GitHub link ↗](#)

PROJECTS

Frontend development using ReactJS

Jan 2024

I created a page front-end using ReactJS for the e-commerce website for a freelance project.

NSS APP NAMES AS NATURE

Jan 2023 - Apr 2023

Using this app the students of any particular institute can upload an image of the location they find dirty or need improvement then the NSS volunteers using the app can see the image and location and so the required cleaning or maintenance.

RETAIL SUPPLY CHAIN +STORAGE MANAGEMENT

Aug 2022 - Nov 2022

The website was a commercial vegetable store where farmers directly list their veggies at the market's reasonable price and the storage management is a London bridge storage concept where people keep food in open fridges for people who starve.

SKILLS

- HTML
- CSS
